

The Micropalaeontological Society, London

Founded 1970 (as the British Micropalaeontological Group, subsequently the British Micropalaeontological Society)

Website: <http://www.tmsoc.org>

The Micropalaeontological Society was founded to further the study of micropalaeontology. Meetings and demonstrations are held throughout the year and the Society publishes a number of serial and occasional publications. Membership is open to individuals and to libraries on payment of the appropriate annual subscription (2014 rates: Ordinary £35, Student/Retired £20). Application forms for membership can be obtained from the Treasurer. The Micropalaeontological Society is registered as a Charity No. 284013.
