The British Micropalaeontological Society was founded to further the study of micropalaeontology. Meetings and demonstrations are held throughout the year and the Society publishes a number of serial and occasional publications. Membership is open to individuals and to libraries on payment of the appropriate annual subscription (1994 rates: Libraries £60/US\$100; Ordinary £25, Student £15). Application forms for membership can be obtained from the Treasurer. The British Micropalaeontological Society is registered as a Charity No. 284013.
