

The Micropalaeontological Society publishes papers on all aspects of pure and applied micropalaeontology

The Micropalaeontological Society (TMS) was founded to further the study of micropalaeontology. Specialist Group meetings are held throughout the year with an Annual General Meeting in November. The Society publishes a number of serial and occasional publications. Membership is open to individuals and to libraries on payment of the appropriate annual subscription (2017 rates: Ordinary £35, Student/Retired £20). Application forms for membership can be obtained from the Treasurer. Further information about TMS can be found at <http://www.tmsoc.org>
